**COLORADO SCIENCE AND TECHNOLOGY PARK METROPOLITAN DISTRICT NO. 2  
2021 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

Colorado Science and Technology Park Metropolitan District No. 2 (District), a quasi- municipal corporation and political subdivision of the State of Colorado, was organized by order and decree of the District Court for the County of Adams on November 20, 2007, concurrently with two other districts, Colorado Science and Technology Park Metropolitan Districts No. 1 and 3, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under a Service Plan approved by the City of Aurora on July 16, 2007. The District's service area is located in the City of Aurora in Adams County, Colorado. The District was established to provide financing for the construction and installation of public improvements, including water, sanitary sewer, streets, parks and recreation, transportation, traffic and safety, mosquito control, television relay and translation, security and, upon an intergovernmental agreement with the City, fire protection.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

**Revenues**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary Information page of the budget document using the adopted mill levy imposed by the District.

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected on the gross assessed values.

**COLORADO SCIENCE AND TECHNOLOGY PARK METROPOLITAN DISTRICT NO. 2  
2021 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Expenditures**

**Transfers to District No. 1**

On December 28, 2018, the District entered into the Capital Pledge Agreement with Colorado Science and Technology Park Metropolitan District No. 1 (District No. 1). Pursuant to this Agreement, the District agreed to impose a debt mill levy and pledge the tax revenues generated from such debt mill levy, including (i) specific ownership taxes attributable to such debt mill levy and (ii) increment property taxes, for the repayment of bonds issued by District No. 1 in 2018. The proceeds of bonds issued by District No. 1 was used for construction and acquisition of public improvements within the District.

**County Treasurer's Fees**

County Treasurer's collection fees have been computed at 1.5% of property taxes.

**Debt and Leases**

The District has no operating or capital leases.

**Reserves**

**Emergency Reserve**

The District has not provided for an emergency reserve equal to at least 3% of fiscal year spending for 2021, as defined under TABOR, because tax revenue is transferred to District No. 1, the Operating District, which provides for the required reserve amount.
